Assessor Comments	A nice line of 32 vendor bred AA steers bred from Minnamurra & Pathfinder blood cows sired by Maryvale bulls. These cattle are docile and easy to handle in both paddock and yards. They will respond immediately under the right feeding regime, are weaned, had all the animal health treatments & very quiet well bred steers with good fame. The hard work has already been done with these steers carrying them through a dry Summer/Autumn. * cattle will be delivered to Murray Bridge at the vendors cost *
