| | Docile: 26 head<br>Quiet: 52 head | Docile: 18 head<br>Quiet: 55 head<br>Slightly Stirry: 5 head | Docile: 60 head<br>Quiet: 18 head |
| | Outstanding Temperament, Steers are extremely well educated and performed through the yards and in the paddock at the highest level. Odd steer balked going into the weigh box however with minimal pressure would move forward willingly. percentage mouthed did pull back on the headbail however would consider this normal behavior and not "Stirry" in any form. | | |

| Assessor Comments | Vendors "Dunluce Grazing" offering 3 decks of light feeder weight steers perfect to take through to heavy feeders or grass bullocks. vendors also has 3 other lots of steers in this sale. These young steers have plenty of frame and room to hang kilos on, averaging 424.5kg full weight at assessment & vast majority are in a very tight weight range. 100% weighed between 400-500kg with 64% 400-430kg, 27% 430-460kg and 9% 460-500kg (full weight at assessment). 20 mouthed all being milk tooth, a very even line of steers with little variation between top and tail. 100% vendor bred with 2 x family brands these steers are ideal to take through to heavy feeders or grass bullocks with all the quality to ensure marketing options right the way through. Exceptional temperament and education, these steers are an absolute credit to the vendors and their education program. genuine well grown steers that are exceptionally well handled and have proven performance on grass and grain. |
