| Assessor Comments       | On offer is 30 Preg tested empty heifers, these heifers have the quality to become long term breeders while also having the frame and weight to be ideal for the feedlot or future slaughter markets. Heifers were preg tested by Rob Johnstone and the preg test certificate is attached in the documents, Heifers were pre treated at time assessment on the 12/8/25. A couple of heifers have slight old scarring in the eye and a couple have general rub marks. |                             |       |                 |                |                |                             |                         |                         |         |    |  |  |
