Assessor Comments	Buyers, on offer 99 quality Angus and Angus cross weaner steers. With great frame and store condition these steers are a ready to go forward on grass, crop or grain. Majority of these steers are ideal for hitting the premium Angus x Angus market, with a small minority showing some Bos Indicus content or white in front of naval and on head. Steers have been fully		

weaned and offer some great compensatory weight gain for the purchaser. Please note one steer had some slight blight scarring but was not deemed an issue. A great line of fully weaned store condition Angus steers that are well worth your consideration. Buyers please note vendor has another lot of steers in the same sale.
