|                        | Slightly Stirry: 5 head                                                                                                                                                                                                                                                                                                                                                      | Slightly Stirry: 9 head | Paddock                     |              |  |   |      |
|                        | The slightly stirry heifers were in the race & crush, most walked away when released, the balance settled once back in the mob.                                                                                                                                                                                                                                              |                         |                             |              |  |   |      |
| Handled With           | Bikes                                                                                                                                                                                                                                                                                                                                                                        |                         |                             |              |  |   |      |
| Assessor Comments      | Buyers these HGP free crossbred heifers PTE will suit a feeder operation doing a 100 day market, they could also be put on oats & taken through to export weights. They are bunk trained & have started a 14% grain ration in the last week. Of the heifers handled there are 3 with a slight crest & 1 heifer showing some udder, see photos & video to make own judgement. |                         |                             |              |  |   |      |
