Assessor Comments	A good quality line of Angus Steers displaying good frame, bone and length. These steers are in ideal feeder condition,

	without being to forward in condition. They offer potential buyers good compensatory weight gains. Ideal cattle to continue to grow into heavy feeder market or straight into suitable feedlot program. Vendor also has another lot of 18 Angus x steers in the sale. Please Note:- Cattle at time of assesment had an overnight curfew. Some steers have a bit of hair rubbed off due to lice.
