Assessor Comments	A nice line of 11 Speckle Park weaned Heifers out of good quality Speckle Park Cows and by a Registered Speckle Park Bull. The Heifers present in Forward Store Condition and are very quiet and easy to handle with the Vendors putting an emphasis on getting them quiet and broken in. Majority of the Heifers are out of F1, F2 & F3 Speckle Park Cows with only 1 Heifer showing slightly more Bos Indicus traits. The Heifers would suit a backgrounding operation or would excel in a breeding program. ** Bred to perform but would also suit a hobby farmer in the hunt for some quiet cattle **
