Handled With	the weaners were good to handle in the yards and crush Dogs , Horses
Assessor Comments	A nice line of Grass fed and antibiotic steers. Sired by Glenavon & Kansas Angus bulls out a well performed cow herd. Steers are generally true to type with sound confirmation. Steers show good growth for age and softness allowing the purchaser to target feeder or grass finished markets in the future. These steers are well bred and given the right opportunity will continue to go forward. Grass Fed Antibiotic free
