Generally well handled

Bikes , Dogs , Horses

Assessor Comments	A nice line of vendor bred Angus & Angus cross preg tested empty heifers. Heifers present in forward store condition and would finish quickly on crop or grain. Heifers are generally true to type and given the right opportunity should continue develop into good females to supply to domestic or grass fed markets. Heifers are grass fed and Antibiotic free. One heifer observed with old ring worm scarring around eyes.
Assessor	Scott Newberry (Level 1 Accredited) Phone: 0447 624 440
