| Assessor Comments      | An exceptional line of vendor bred Angus x Angus steers, tops of the drop with a 30% tail removed. These steers display great depth and width which shows in their weight for age. Taloo by and Tivoli blood steers with a long history of breeding and performance behind them. Highly sort after cattle that perform well in the feedlots and yield well on the hook. A great opportunity to purchase a line of familiarised steers that are ready to perform. |
