Assessor Comments	Buyers, here's a great opportunity to secure a tidy line of lightweight F1 Wagyu weaner heifers. These heifers have been weaned early, being out of first-calf Angus cows, but they are healthy, strong, and going ahead on oats. They've had extensive handling and education through both yards and paddock, making them an absolute pleasure to work with. Spring is just around the corner, this low-maintenance, well-educated mob offers excellent potential to grow out to heavier weights. Please note: the steer portion of this line is also included in the same sale.
