Assessor Comments	Buyers here is an opportunity to purchase a very good line of lightweight Santa and Santa x steers that present in forward store condition. These steers are performing well on the feed in front of them and would expect they will continue to perform for the new purchaser. These steers would ideally suit backgrounders looking to put away steers to grow out to trade,feeder or export weights. These steers are renowned performers and will not disappoint. Please note vendor has 10 heavier steers in the same sale.
