Good to handle easy doing heifers. Cattle respect yards and handler when drafting and weighing. Heifers were a genuine pleasure to handle with little to none becoming slightly stirry when drafted then weighed. Good cattle to work with persons

Notable Traits	Traits 6 Head Warts
Assessor Comments	102 Angus X Angus Future Breeder Yearling Heifers. Heifers are one mark out of outstanding genetics including Temania, Murdeduke, & Boonaroo blood from renowned western Victoria Boiardo Pastoral herd. Heifers were brought up from southern Victoria and have been grown out on aggistment on a favourable autumn, winter season on buffel & native winter herbage. Exhibiting good frame heifers are ideal cattle to background or take to crop. Please note 4x heifers with pink eye scarring. Buyers a great opportunity to put a full truckload of good quality future matrons or trade heifers with plenty of upside in a rising market.
