## Notable Traits

## Traits

4 Head Old eye scarring - healed

**Assessor Comments** A group of 30 x scanned empty 2021 Drop Angus Cows. The cows are being offered for sale as they were scanned not detectable and agistment is coming to an end. The cows present well as a group; they are in store condition and offer buyers the opportunity to join in the spring or fatten to process. The cows were purchased in 2023 as PTIC heifers from selected vendors, they have all successfully reared calves since. The cows are moderate framed. A great opportunity to buy young commercial cows that will respond to a high protein diet and warming conditions. Bukalong are also offering 103 x PTIC cows of the same description.
