Assessor Comments	A productive group of 36 x PTIC 2021 Drop Angus Cows. Joined to high quality Landfall Sires, Bukalong Enterprises will offer 103 x 2021 Drop PTIC females. This group of cows were identified to calve in the first half of the calving period. (20/08 to 30/09). The cows are being offered for sale as agistment is coming to an end. The cows present well as a group, they are in sound condition and health and offer buyers the opportunity to calve down and rejoin in the spring. The cows were purchased in 2023 as PTIC heifers from selected vendors to add to the enterprise, they have all successfully reared calves since. The cows are moderate framed and in store to forward store condition. A great opportunity to buy young commercial cows that will continue to perform for many years. Bukalong Enterprises is also offering 67 x later calving cows. Buyers: note proximity to calving when considering freight.
