Assessor Comments	35 X 35 Middle aged Angus and Angus cross cows with calves all sired by Registered good quality Stud Angus bulls and running back with same bulls. Possible 3 in 1 units with cows all being on their 2nd or 3rd calf. Vendor is having a change in direction and therefore selling to downsize numbers. All cows are sound teeth, udders and feet with 2 cows having blight scarring in one eye and a further cow having a slight cloudy eye. Most cows are doing a pretty good job on their calves however 2 calves are pretty woody and seem to be getting limited milk.
