Vendor did note that these cows are handled with horses and dogs and have had plenty of handling in and out of yards.

Assessor Comments	Buyers here is a opportunity to purchase 21 very good quality Angus cows PTIC 2-3 months to a JK Angus bull. These cows are PTIC to have their 2nd and 3rd calves, they are proven breeders with their calves sold last week in Dalby to top the Angus weaner market. They have their lives ahead of them and would suit breeders looking to purchase good quality Angus cows to retain in their herd.
