Assessor Comments	An excellent opportunity to buy 2nd&3rd calvers, bred from the Mackinnon family. The females are only being offered due to the tight season, being the later females to calve in the mob. These females have been apart of and AI breeding program having a huge amount of genetics with impressive indexes. Mackinnon Pastoral have well known cattle in the area for their performance with impressive growth an IMF in their calves. These females aren't dressed up in their Sunday best, however you will not be disappointed. Preg-tested in calf to Dunoon & Chiltern Park Balls. Buyers please note there is 'Heifer Select' data on a portion of these females in the photos.
