Vendor Comments	Normal turnoff of wether lambs
Assessor Comments	Buyers an opportunity to buy a line of highly regarded woolgrower wether lambs that present in strong store to forward store condition and have plenty of frame. The 'Moble' wethers are known for their ability to cut big quality wool cuts and grow out to big wethers for the kill job as mutton.. A great line of Mumblebone bld, unmulsed, RWS & Authentico certified merino wether lambs that will continue to grow and cut some big wool cuts in the years ahead. Lambs would also be a good even line with plenty of time on their side for a lot feeder or crop to finish for the excellent lamb trade. At assessment 40% presented with having normal wether horn & the balance poll please refer to photos for own satisfaction.
