Assessor Comments	The complete drop of Ewe lambs off Kalimna on offer. Lambs are by high quality Cottage Park and Snowy Plain rams purchased at auction, out of Cottage Park blood ewes. Lambs present in fresh, forward condition and given the typical hard Monaro winter, are doing quite well. This is the complete drop on offer with a tail removed. These ewes would be ideal future breeders, taking home and growing up on crop or grain they will turn into excellent future matrons. Please note: 115 x wether lambs are also in same sale. Agent can arrange freight to Riverina with weekly market trucks to Wagga.
