Comment on Fat Score 1 Sheep

Good strong healthy lambs that are only one score due to age and being weaned .They are fit to travel any distance given the appropriate pre load and loading protocol.

Assessor Comments	Excellent line of young White Suffolk cross new seasons lambs that are weaned up and ready for more protein. These lambs are by Barwon White Suffolk rams and out of moderate framed Meadow View blood ewes. The lambs that are on offer have growth for age given the season this year. At the time of assessment there was a 30 % tail taken out before being assessed. NB There is a odd lamb with a small amount of stain on tail.
