Vendor Comments	Annual sale of wether lambs		
Assessor Comments	An even line of wether lambs that have had all been individually weighed 33 kgs plus full and have all the hard work done with the feedlot induction process done. Lambs are April shorn giving them a good start in the skin of some value and also mulesed and tail stripped. Lambs are continually up and on the improve with lambs putting on weight since previously weighed a fortnight ago with gains north of 150 plus grams per day.
