Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	A good size line of XBL that present fwd and fresh. Buy with confidence these lambs will perform well on grain or grass. Perfect to grow out to large export weights with a start on the grain. Please note lambs have had full access to grain feeders since birth and the vendors ewes have been topping the Ouyen market. A 10% tail has been removed.
