Assessor Comments	A very good opportunity to purchase the second draft of the renowned 'Wirrani'. A very neat line of Dorset X Suckers that present in very fresh condition. Suckers are all by Tara Poll Dorset Rams and ex Large Frame triggervale poll merino blood ewes. These lambs have been proven to grow into good trade weights or taken into export weights quite easily. Suckers present with plenty of time on their side and would do really well given the opportunity. Buyer please note that suckers are not weaned and will be weaned upon delivery. Potential purchasers can bid with upmost confidence. Buyers please also note that there is 205 tops being offered in the same sale and brother has 125 suckers in this sale that are on the property next door.
