Assessor Comments	A neat line of Dorset X Suckers that were all weighed over 22Kgs at assessment. Suckers are all by Tara Poll Dorset Rams and ex Large Frame triggervale poll merino ewes. These lambs have been proven to grow into good trade weights or taken into export weights quite easily. Suckers present with plenty of time on their side and showing adequate weight for age. Buyers please note that vendors brother has 2 very similar lots being offered in the same sale with properties neighbouring eachother creating an opportunity to put together a good line of lambs.
