Assessor Comments	Monmot offers 460 Merino Wether Lambs sired by Kerin Poll Merino Rams, lambs are September 2024 drop & averaged 30.6kg at assessment. They present in forward store condition, have been trained to grain since weaning but have not had grain since May. These lambs are in a position to respond well to quality feed and nutrition and would be a good even line with plenty of time on their side to finish or grow into mature woolgrowers. Please note lambs will be crutched prior to delivery on the 18/08/25.
