JD Approved Vaccinates	Sheep are JD Approved Vaccinates. Vendor has been continuously vaccinating all retained lambs in the flock for 10 years			
Assessor Comments	(second draft) Great opportunity to purchase a line of merino wethers lambs which are usually retained by the vendor. These wethers have an excellent health status and will continue to move forward with feed. Wethers will grow into medium to large frame sheep and will cut on average approximately 6kg at 19.5 micron. Lambs to suit either a store buyer looking to feed them on or someone looking to increase flock numbers.			
Assessor	Michael McMeel (Level 1 Accredited) Parallel Assessed By : Henry Bensch			
Delivery Period	20/08/2025 to 25/08/2025 (6 days)
