Assessor Comments	110 Poll Merino wth suckers that present in a fresh and forward condition, these suckers are June/July drop and have not put a step wrong and will only continue to go forward. They show a good depth of body and good square carcass, while also showing a nice white wool with a well defined crimp. Vendor has been focusing on buying rams for carcass, to enable to grow them into a trade to export lamb. Due to seasonal conditions, these lambs are being sold earlier than normal.
