Assessor Comments	An excellent opportunity to secure a line of Australian White NSM stud ewe lambs showing strong growth, structure and shedding traits. Averaging 40.3kg liveweight at assessment. Sired by Three Hills Aussie White rams and out of Naparoo ewes. Naparoo Aussie Whites invests annually in top-tier genetics from leading Australian White studs. These ewe lambs are bred from fully registered sires and dams, making them genuine stud-quality. Buyers seeking to expand or establish an Australian White stud operation should consider this a rare opportunity to secure registered females from a flock bred with a strong focus on structure, shedding ability, and commercial performance.
