Assessor Comments	A productive and young mob of easy care clean shedding ewes with 170% lambs at foot. Ideal for small block owners, or to top up a few numbers. Please call me about the young Australian White Ram called "Buddy" who is for sale. Ewes ave 65kg at assessment and lambs ave 18kg. Two ewes are yet to lamb and "Buddy" has been busy back on the job! Please be aware there are two ewes in the footage not included in the assessment as they were not in suitable condition at assessment. Price for these two to be negotiated prior to delivery. The sheep were drenched on the 13th August to overcome a heavy and unexpected worm burden and are recovering very well. Buyers please take note of delivery conditions and call if alternative arrangements need to be made. We will work with you.
