Assessor Comments	136 - Vendor bred Merino Ewes Scanned in Lamb to White Suffolk Rams. Ewes are rising 4 - 7 years, ages indicative with year colour NLIS ear tags. Note estimated age break up percentage has been established, from the random sample of ewes assessed, please use as a estimation only. Ewes present in healthy store to fresh forward condition. Ewes were shorn 3 weeks prior to assessment using cover combs. Ewes were pregnancy scanned 2 weeks prior to assessment. Scanning resulted with 155% lambs. Note for purchaser convenience, ewes bearing multiples (60 head) have been identified with a blue dot on the mid back, single bearing ewes (76 head) have no mark. Please note ewes identified with green ear tags are management tags only. Sale of Ewes is the final dispersal of the "Wilford Flock" presenting an opportunity to purchase a genuine line of SIL Merinos ewes to take on and lamb down & continue as breeding ewes or explore potential trade opportunities.
