Joining Details	Not Station Mated
Other Joining Details	ewes had lambs weaned off them at time of assessment.
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	A very good line of Dohne ewes that present good forward condition, Vendor has owned sheep for the last few years and in that time they have been good productive units. The lambs have just been weaned off at time of assessment so ewes will regain condition quickly if given the opportunity. A great chance for anyone looking to boost their ewe numbers & with current mutton prices there is a trade potential with this mob also.
