Assessor Comments	Account Dargeeling, offer a tidy line of 125 Poll Dorset x Border Leicester mixed aged Ewes averaging 65.5kg empty. These Ewes for some, may seem an unusual cross but for the Sutherland family who run a Poll Dorset stud alongside a commercial operation this cross has worked extremely well over many years and has seen top results with consistent export weight suckers marketed through the Hamilton saleyards. All Ewes were mouthed bagged and titted for buyer confidence and would be a top acquisition for any breeder program. These Ewes present in forward condition, large frame and have come out the other side of an extremely tough season so will really take off if given the opportunity.
