Assessor Comments	Nice straight line of 4.5yr Old Poll Merino ewes, that show a medium to large frame and are presenting in a forward condition since shearing. These ewes show a big deep barrel with plenty of stretch and bone. The vendors flock will consistently breed lambs to grow out for export jobs, while also producing a good wool cut. Ewes will fit into any breeding operation chasing good wool cut or any XB operation. Vendor is only selling ewes due to ongoing conditions in the mallee. Note other lines in the same area on offer
