Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	A well bred line of 2nd X Suckers, Lambs present in forward to forward prime condition and would benefit from shearing and will continue to jump away with feed. Lambs are normally retained and grown to heavy export weights but a tightening season has seen them offered early. Buy with confidence these Lambs will not disappoint.
