	Quality Grades			
	Excellent	100%		
Notable Traits	Traits			
	55 Head Wether Horn			
Assessor Comments	Ballatherie wether lambs bred from large frame functional ewes. Noted heavy wool cutters, Depending on season grown sheep usually cut between 4/5kg of wool every 6 months. A real opportunity to buy some of the best. Lambs have been properly weaned and are doing very well, buy with confidence lambs will perform. very odd eye weeping from grass pollens.
