Assessor Comments	A very even line of June 2025 Composite wether lambs. 100% weigh drafted, these lambs range from a minimum of 24kg to a top of 28kg full weight at assessment. The lambs present in fresh condition and show very good growth for age. Properly weaned for 3 weeks, these lambs will only go forward from here. South Killanoola have in the past carried these lambs through to late spring and sold as high end Domestic & Export lambs. The purchaser of these will have that same opportunity to complete a quick trade if desired. NOTE - The dirty lambs in this line will be crutched pre delivery. NOTE - There is a 2nd line of lambs from Sth Killanoola in this sale. Both lines combined will give a comfortable B Double load. These lambs have been prepared & presented completely right and come with our highest recommendation.
