These lambs show a good depth of body with plenty of length and a good square Caracas. The lambs are bred out of large framed Merino ewes and sired by top end Illoura W/S Rams. Lambs have been weighed from 28-43kg to avg 35.7kg and are only continuing to go ahead. These lambs will grow into good trade-export weight suckers or will have the ability to grow into a good export weight lambs if taken around into the new year. Vendor is selling these lambs earlier due to seasonal conditions. Tail has been removed for buyers confidence
