Assessor Comments	ALLEN RURAL offers an excellent run of Hampshire Down x Primeline store suckers. These lambs have had no expense spared on them from their genetics to nutrition, being weaned onto brassica and trail-fed barley 3 times per week. Suckers are April/May drop and have been vaccinated with a 6-in-1 and a Weaner Guard. Traditionally the vendor has continued to grow lambs to export weights for Kinross Station. Lambs are eligible for both Kinross Station and Willow Bend programs. Buyers note lambs were market crutched after the assessment. Don't hesitate to call with any further questions.
