Assessor Comments	On offer is a very even line of 204 Xbred suckers that are weaned and ready to bounce ahead going into the spring. These lambs are a May 25 drop and are the 2nd draft of lambs with a 20% tail removed from this draft. In years previous the vendor has grown these lambs into kill weights and if given the opportunity these lambs should achieve similar results. They will also be 100% keyhole crutched prior to delivery. Please note the same vendor is offering another line of 540 store lambs in this sale, giving purchasers the chance to buy 6 decks of 1 mark Xbred store suckers. Great opportunity here !!
