Assessor Comments	On offer is high quality lot of 220 2nd x Poll Dorset lambs. Lambs are out of predominately very good Medium to large framed western bred 1st x ewes with approximately 30% Vendor bred White Suffolk/Merino cross ewes by High indexing Gooruma and Springwaters Poll Dorset rams. Lambs have not had a check, show plenty of growth for age and are still in general, fresh in the skin. These lambs represent the middle run of 1100 lambs that were all individually weighed between 32-42kg to average 37.4kg at assessment. Vendor usually takes these lambs through to trade heavy weights but with an increase in cow numbers presently calving they need to make some room. Well bred lambs that come highly recommended. Please note lambs were all given a market crutch post assessment.
