Vendor Comments	Really happy weight how the lambs have bounced away post weaning.			
Assessor Comments	Excellent line of well presented woolly wether lambs out of a very good merino flock. Tops of the drop, they are very even, with all lambs 28kg+ and all weighed through the auto drafter for buyer's confidence. Vendor has done an excellent job on the lambs post weaning and as a result they are spritely and showing good bloom. These lambs have an excellent track record with repeat buyers all with glowing praises on the quality and performance of them previously, both on grass and grain. There's a ton of breeding in these guys, vendor has been on Gum Hill for 75 years. Other lambs in the district to help make loads up.
