Assessor Comments	Complete Drop, Part of a complete flock dispersal. These recently weaned mixed sex merino suckers are full of energy and are pushing ahead, drenched at weaning onto sown Barley they are gaining every day. Vendor has crutched a few that got dirty on the new feed, ideal lambs to shear in a month and feed on. Vendor did not M&TS like usual as he was just treating them as a fatten and sell item. See xb lambs in this same sale
