Assessor Comments A complete drop of Merino wether sucker lambs. Lambs are A/M 2025 drop, un-shorn shorn M&TS Deloshanda Bld. These suckers are very fresh and will go ahead on good feed. Lambs are not weaned and will be weaned day before trucking. These lambs are usually retained by the vendor, shorn and taken through summer to heavy trade/export weights. Lambs have been trail fed grain and pellets earlier in season. A combination of 2 mobs hence some have a red tip from dust earlier in season. Vendor also has another 194 WWL in sale.
