Assessor Comments	This lot of wether lambs has been bred by the renowned 'Moolpa' Station and is one of three LOTS (530 X 3) offered in this sale. A great line of wether lambs that are fresh and ready to go. They've been introduced to lick feeders and have been on troughs and dams. They've had all their vaccinations and more. Lambs are in a withhold period until 16/10/2025. These lambs are lambs that you can turn into feeders or wool cutters.
