Assessor Comments	Lambs on offer are some of the best from the Goulburn area and are always highly sort after from restockers and processors. All lambs weighed from 30 to 46kgs full and will continue to go forward with grass moving. Vendor is very particular in buying top quality ewes and rams with the property extremely well managed. Lambs sired by top end flock and stud rams from Gooramma PD Stud. Rams selected for early maturity, length and depth of body. Lambs will not disappoint and comes highly recommended from agent.
