Assessor Comments	Top quality line of 'Primeline Wether Suckers' that are the tops of the drop, presenting in forward store condition. These lambs are well grown for their age and show the great characteristics and traits of the highly sorted Primeline breed, perfect lambs to feed onto trade or heavy weight lambs. Please note buyers vendor has ewe lambs in same sale, ewes & wethers were assessed together they may be a slight difference in weight at delivery please take this into account when bidding. Videos & photos were taken together.
