| Assessor Comments        | Buyers, on offer is a good quality line of Pastora blood MWL. Lambs present in fresh store condition and are doing well. This is the lead draft of the vendors Whts with a small tail removed. These are lambs offering plenty of length, depth and size of body to take onto heavy weights. Lambs are out of large frame ewes and have performed well for previous purchasers. Please call with any questions. |                             |                      |
