Assessor Comments	Great opportunity to purchase a very neat line of Vendor bred new season dorper lambs with all the work done. Vendor has been using top quality Dell Dorper rams for many years. These lambs have had a Qdrench and Ultravac 6 in 1 booster at weaning, if given the opportunity these lambs will be at trade weights in no time. Lambs are only being sold due to the tough season. Please note lambs will have a dot on them for management purposes.
