Assessor Comments	Complete 2024 Drop of Merino Ewe Lambs & Hoggets – Snowy Plains & Gelton Blood An exceptional opportunity to secure a complete line of 2024 drop Merino ewe lambs and hoggets. These young ewes are the entire drop from the vendor's flock, with none retained, offering buyers a unique chance to invest in a fresh, even line of young breeders with their entire productive lives ahead of them. Bred from renowned Snowy Plains and Gelton Merino bloodlines, these ewes represent years of quality genetics focused on wool production and maternal traits. They are in excellent condition, having been run on lucerne pasture, and are ready to be joined to the rams of your choice. This is a genuine dispersal of the vendor's 2024 ewe drop – a perfect addition to any breeding operation seeking well-bred, well-grown young Merino ewes. Buy with confidence.
